CECE

The cece compliments your reception, boardroom, or visitor seating. Comfortable, compact and adaptable, the cece arm fits under most desk or boardroom tables. With the easy glide castor it makes cece easy to move around the office. A unique solution to any fitout.

Features:

- round steel tube
- straight arms
- arms fit under standard height table

QUALITY ASSURANCE

Vibe passes on our manufacturer's, GCF, commitment to product excellence and providing long term customer service and value. To this end all our products are warranted for a period of five years or other as specified. Fabric is covered under the fabric manufacturer's warranty. An efficient service department is on hand should any repairs or modifications be required. Components are held in stock for most items.

Eco features:

- water based glue
- recyclable stainless steel
- pine frame from renewable NZ plantation timber
- recyclable foam
- efficient manufacturing process

WARRANTY

GCF warrants all chairs for a period of five (5) years under normal 40 hours, 5 days a week usage, to be free from defects in material and workmanship. For full details of the duration and scope of our warranty, ask us for a copy of our Warranty Statement.
